- Zoning & Municipal Code Enforcement
- Animal Control Services
- Street Sweeping Traffic Enforcement

The Division is budgeted for one full time Officer, a 36-hour Specialist, and a full-time Office Specialist. On-call coverage is provided to handle after hour emergency animal control calls.

The City is divided into seven zones, including commercial centers, and the zones are inspected on a continual rotating basis over a two-week period. A set route is driven each day in addition to the zones. The route includes Mount Vernon Avenue, Main Street, Michigan Street, Barton Road, Preston Street, Palm Avenue, Observation Drive, and Van Buren Street.

Activity Summary for Code Enforcement

Code Enforcement had 56 cases carried over from the previous month, 29 new cases opened, and 23 cases were closed. The Division closed out January with 62 open cases. The chart below demonstrates a breakdown of Code cases by detailing how many cases were carried over from the previous month, opened, closed, and still being addressed.

The following table shows the number of inspections conducted, the number of citations, and corrective notices issued.

Column1	Jul	Aug	Sep	Oct	Nov	Dec	Jan
Inspections Conducted	85	118	110	66	88	77	43

Citations Issued	7	10	7	7	2	5	2

*The number of corrections issued does not include vehicle related complaints, illegal dumping referred to Burrtec, or homelessness on public property referred Sheriff's Department.

Weekend Code Enforcement Activities

The Weekend Animal Control/Code Enforcement Specialist patrols the weekends and conducts zone inspections and scheduled re-inspections. Weekend code enforcement also handles code violations such as unpermitted yard sales, open house signs, and parking violations. The table below demonstrates weekend code enforcement activities by type for this fiscal year.

Parking Citations:

In January, 277 vehicle related citations were issued; 260 of the citations issued were related to street sweeping enforcement. Street Sweeping in residential areas occurs on the first, second, and third Thursdays of each month.

As of June 4, 2020, Code Enforcement resumed issuing street sweeping citations for vehicles parked on the street during street sweeping hours which was suspended due to COVID-19.

Other parking citations include expired registration, parking on unpaved surfaces, and commercial vehicles in residential areas. Parking citations are issued by Code Enforcement Staff, as well as Sheriff Deputies.

Graffiti/Vandalism/Illegal Dumping

There was 13 cases of illegal dumping and 12 cases of graffiti reported in January; all cases have been resolved.

Non-Owner Occupied/Rental Property Program

There are approximately 379 properties in the Program (number is subject to change as properties get sold or becomes owner occupied) consisting of both single-family units and multiple family units (i.e. apartments, duplexes, triplexes, and quadruplexes). 115 properties are enrolled in the Good Landlord/Tenant Program signifying they have kept well-maintained properties and have passed inspections for 3-4 consecutive years. Property owners in the Good Landlord Program also receive reduced inspection fees and windshield inspections.

In August, Code Enforcement issued an Application for Non-Owner Occupied/Rental Inspection to current rental property owners to add additional rental properties, renew information, or if qualified, opt out of the program. Owners may currently opt out of the program if their entire home is owner/family occupied (as a courtesy), if they no longer own the property, or if the property is a condominium in which ownership consists of the interior only. As a result of the notices 14 properties have been approved to opt out of the program.

In October, all of the rental properties were inventoried to determine whether they passed the 2020 Annual Inspection on the first try or if they failed because it determines whether properties will continue to be in the Good Landlord Program or be removed. Also, properties entering their 11th year in the program are removed from the Good Landlord Program and revert to first year status. There are 115 properties in the Good Landlord Program for 2021 which is a 30.6% increase from 88 in 2020.

In December, Code Enforcement will issue annual Non-owner Occupied/Rental renewal notices for all properties enrolled in our program and renewal fees are due January 1st. By the conclusion of January 216 property owners have paid their inspection fees.

Civic Live

There were five complaints received via Civic Live in January related to property maintenance and vehicle issues. Four cases have been resolved; one case is still being worked by Code Enforcement.

Animal Control Services

With the implementation of Animal Control Services, the City has instituted the practice of first making every effort to return stray dogs to its owner, by checking it for tags or microchip. If the owner cannot be identified, the City will place a photograph of the impounded animal on the City's Facebook page so that owners can reclaim their pet. Animal Control is also working to identify animals via Facebook who have been sent to the animal shelter and have since been returned to their owner so their status can be updated for the public. If the dog is unlicensed the owner will be given a citation, but the fine is dismissed if the dog is licensed within 7 days. Riverside County Department of Animal Services stats.

Dog Licensing Revenue

In the beginning of January, Animal Control began canvassing properties with outstanding dog licenses and leaving a door hanger with renewal information to ensure we have the most accurate count of dogs in our system. Often times individuals move away from the City and we are not notified and annually those properties are issues renewal notices as typical protocol.

During this time there was an influx of individuals renewing their dog licenses and licensing new dogs. The door hanger indicated they had a month and half to renew the license or they may risk receiving a citation. The deadline was extended from February 12th to March 1st due to COVID related issues.
